

Schiek® Outdoor Back Support Belt

The Original Patented "Shape That Fits"

Introducing the Schiek Outdoor Back Support Belt!

The hardcore outdoor enthusiast stays on the water or in the woods all day. Back comfort and support are a must.

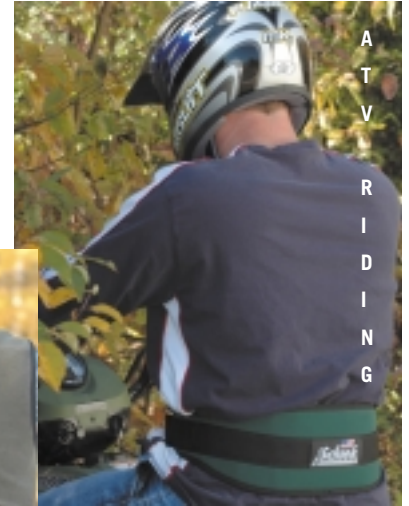

Now, the same high-end quality that Schiek has provided for the medical, industrial, and fitness industries has come to the rescue of the sportsmen and sportswomen who want to stay outdoors a little longer.

These specially engineered and designed belts guarantee that you'll have the best back support on the market. The Schiek name and our two year warranty guarantees that you'll have the best quality and design.

Why would you spend \$1,000 on a gun, \$800 on a bow, \$500 on a fly rod and then pinch pennies on your back comfort and support?

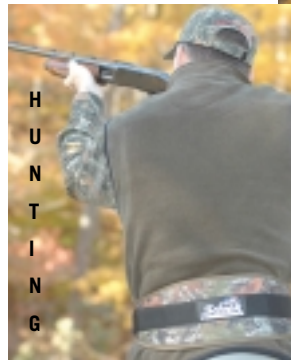

Provide the best!

The Schiek outdoor belt is available in Mothwing™ Camo Technologies Design. Other colors are also available.

Compare the Schiek Advantages

Ordinary Belt

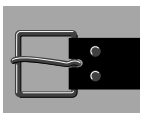

New Patented Hip and Rib Contour

Provides ultimate comfort and flexibility. Ordinary belts dig into the hips and ribs and cause discomfort.

Patented One-Way Velcro® Closure

Amazing One-Way Velcro® allows belt fastener to slide in one direction only for quick and exact fit. Unlike belts with buckles, the Schiek belt can be easily adjusted to the perfect tension during a workout.

Ordinary Belt

Abdominal Support

Special Lumbar Support

Reinforces the natural shape of the spine. Other Nylon belts flex in this area where additional support is needed.

Dual Support

Schiek belts are designed to support BOTH the lower back and abdominal area. The abs are the key to complete lower back support and no other belt offers the dual support of Schiek.

Covered under US Patents No. 5,046,488, 5,053,883, and 5,316,022. Mothwing is a trademark of Mothwing Camo Technologies, Inc.

"If you want to stay in the outdoors, put a Schiek belt around your waist."
