Power vs. platinum, what's the difference?

The Platinum Series is our top-of-the-line lifting glove. All Platinum gloves offer rubberized supergrip, longer 3/4" finger length and gel thumb pad. Our Power Series are perfect for lifters looking for innovative features at an attractive price.

Platinum Series Glove

With our innovative easy-removal fins, you simply grab the fin extensions on top of the fingers and pull for easy release.

Wet or dry, our unique, rubberized Amara pad provides the perfect non-slip grip.

The special 1/8" thick gel padding provides extreme comfort while also ensuring energy absorption and vibration reduction.

The Amara synthetic leather is a light, breathable material which combines the look and durability of leather with a machine-washable fabric that won't stretch.

Our special Keystone Thumb feature provides for a much better fit around the thumb area.

Padded thumb area.

Double-stitching provides additional reinforcement in critical areas.

Schiek gloves will not bleed color onto your skin.
